

1 of 2

Directions-Color the Roman Empire at it's height in 117 A.D.
Cut the map square out and glue flat into your NB on pg.

2 of 2

Directions-Color the Roman Empire showing how Diocletian split it up in 284 A.D. Draw and label the city of Constantinople on the map. Lastly cut out along the dotted lines. Take scissors and cut the two empires you have drawn in half. Do not pass the solid line.
