### **ZAP procedures for Mr. Jimenez**

- A ZAP is given if no homework is done, otherwise you get a checkmark. Two checkmarks equals a detention.
- Once ZAP is given, you must attend Zap until you have either cleared it by Mr. Jimenez or gone 5 days to ZAP (whichever comes first)
- If you have ZAP and do not go, it is an automatic Detention (the discipline will increase depending on how many days you missed)
- There are two times that I do not clear ZAP's which are during Teaching or at Lunch.
- You may get a ZAP cleared before school, during break, or after school.
- During class you may get it cleared during our Homework check in the beginning when Mr. Jimenez comes around. This will only be done if you have it out and ready to check when he gets there.
- It can also be done during Independent practice time at the end of class also.
